**Description:** Many generations have passed since the harrowing journey of Centurion Longinus, the Roman soldier who pierced the side of Jesus with his spear while the condemned one hung from the cross, as told in *LONGINUS: Book I Of The Merlin Factor*. Now, in *MYRRIDDIN: Book II Of The Merlin Factor*, it is the 4th Century A.D. A young boy has found sacred relics of the early Christians in the ruins of an ancient Druid temple on the Isle Of Mystery in Old Britain. For reasons beyond his immediate comprehension, the lad connects with one item in particular; the Spear Of Longinus, the very spear that pierced the side of Jesus and allegedly holds the power of Christ. The boy's name is Myrriddin. The world would remember him as Merlin, the greatest Druid and Wizard of all time.

*MYRRIDDIN: Book II Of The Merlin Factor* follows the tale of the boy turned young man, as Myrriddin learns the power within his own being and the power within the Spear – now disguised as a magic-laced Druid Staff – that speaks to him of ancient times and eternal knowledge. *MYRRIDDIN* tells of the loves in the young Druid's life from his passion for Igraines, the future mother of King Arturius, to his desire for the clans girl, Nimue. *MYRRIDDIN* also follows the battles and trials with an old enemy, Creconius Mab, and new ones in the Christian church, whose certain factions are bent on destroying the Old Ways and obtaining the spear and its powers.

**Reviews:** “Literary opium! As with *LONGINUS*, *MYRRIDDIN: Book II of The Merlin Factor* is a spellbinding book—an addicting read. The Merlin Factor series are more than books; they are a way of seeing life anew.” —VAISHALI. AUTHOR OF “YOU ARE WHAT YOU LOVE” & “WISDOM RISING” [www.PurpleV.com](http://www.PurpleV.com)

“*MYRRIDDIN*, Maines’ second book in the Merlin Factor series, is a compelling story, illuminating a quest that we all share; to surrender to a larger destiny. Through letting go, Myrriddin, the hero representing us all, receives the gold of Merlin’s magic; knowing the soul’s true wisdom.” —Awareness Magazine
